

RECORDS REVIEW™ Corporation (DE)

Indigo Venture Law Offices (“IVLO”) understands that you have many pressing matters at hand necessary to keep your business running efficiently and profitably. Included among these matters are certain corporate obligations such as filing Franchise Tax and Annual Reports, documenting corporate actions, maintaining a current records book, and holding annual meetings. Failure to comply with these obligations on an annual basis can jeopardize your corporation’s good standing and impact its limited liability status, placing your personal assets at risk. For these reasons, IVLO offers **RECORDS REVIEW**, a packaged legal solution designed to help you comply with your legal obligations and protect your personal assets.

As the first step of the **RECORDS REVIEW** process, we assess your corporate records book for inconsistencies and missing records and provide you with a Records Summary and Assessment Report to identify items and issues that require follow-up. We also prepare an Organization Summary that provides a current “snapshot” of your corporation’s critical information and a Capitalization Schedule that details your corporation’s capitalization and stock transfer history.

RECORDS REVIEW helps you comply with Delaware laws requiring corporations to hold annual meetings and make annual state filings. We prepare the Stockholder and Board of Directors consents and votes necessary to comply with the law. We help you avoid late and inaccurate filings of Delaware Franchise Tax Reports and your local state Annual Reports by providing you with timely reminders and ensuring that information in the filings is updated. We also help you determine the proper method to calculate your Delaware franchise tax payment. Finally, we include a one-hour yearly consultation with you to discuss issues related to your corporation, its records and filings.

The above features are included in the **Standard** level of **RECORDS REVIEW**. (See Pricing Schedule) The **Extranet** option provides for electronic storage of your corporation’s records book and other documents on a website where you and your advisors can have password-protected access to the company records. To demo the Client Extranet Site, go to www.ivlo.com. In the

lower left-hand corner of the screen type the login name “IVLO-DEMO” and password “demonstration.” Review the features offered on the following Pricing Schedule to find a solution that is right for you.

Pricing Schedule
